

CB050 | 5 TONNE MANUAL CHAIN HOIST

The **CB050** is a 5 tonne manual chain hoist that is compact and light, yet extremely durable, with industry-leading quality. This model is part of Red Rooster Lifting's full range of KITO equipment available.

The CB series of manual chain hoists are built with premium-grade components for long life in the toughest industrial and contracting applications. The capacities range from 500 kg to 50 tonne dependant on your lifting needs.

They have a shock-resistant gear casing, double ratchet spring, precision gears and double casing to protect against dust and water, with a secure and reliable mechanical brake, load chain guide and a nickel-plated load chain with long service life. The load chain has a break strength of 1,000 N/mm² and corresponds to class V according to DIN EN 818-7.

STANDARD FEATURES

- Screw-and-disc type load brake
- Double pawl spring
- Nickel-plated load chain grade V (G100)
- Made in Japan

AVAILABLE OPTIONS

- Geared trolley
- Plain trolley
- Overload limiter
- Canvas chain bucket
- ATEX
