

# GLOVES

## SKIN GLOVES

Lightweight gloves conceived for belay and double rope use, they combine the strength of a work glove with the precision and sensitivity of a thin glove.

Excellent also for use in work and rescue situations.

The double-layered leather protects the most exposed parts of the hand.

The elastic back, made with breathable nylon, is abrasion-resistant and ensures optimum wearability and comfort.

Elastic wrist with Velcro closure.

Made of smooth and soft leather for a perfect balance between strength and sensitivity.

Reinforced thumb and index finger, with special rubber for durability during rope handling.

Available in 4 sizes from S to XL.

Certified to CE EN 388 (4-2-4-3).
