Standards

EN 362:2004

EN 360:2002

Fall Arrest Blocks

The Portwest collection of Automatic fall arrest blocks are designed to be used with all Portwest harnesses and connectors. In the event of a fall, automatic fall arrest blocks will lock and stop your fall after a short distance.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.

Features

- Easy to install
- Durable webbing with high breaking strength
- Max rated load 100kg
- 10 Year shelf life from manufacturing date outlined in product label
- Retail box which aids presentation for retail sales
- CE certified
- UKCA marked
